

## People's Telly Awards FAQ

### What is the People's Telly category?

Entries in the People's Telly Awards category are featured on our custom built rating system for public viewing, during a two-week voting period towards the end of the competition. Using a 5-star rating system, the entire web community has the opportunity to view and rate work to help decide winners.

Each year, the People's Telly averages over 125,000 video views with ratings cast from viewers from across the world!

### Where do I cast my vote for a People's Telly Award nominee?

Voting for People's Telly is live for a two week window. During that time, [voting is available here](#).

### How do I authenticate my vote?
